POOL HOUSES

a vacation spot—at home

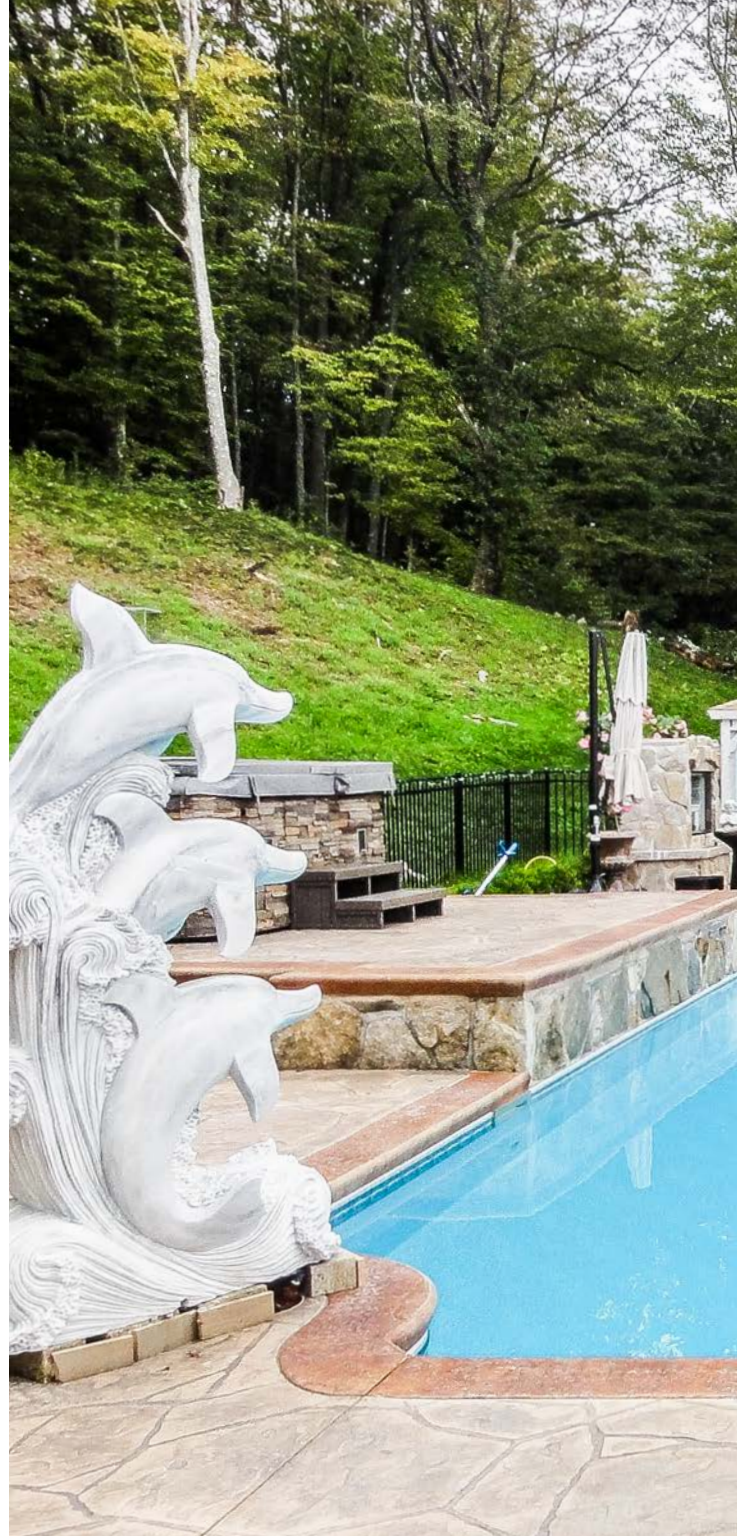

Enjoy the
— little pleasures —
of life

Enjoy beauty — in your own — backyard

While it is a functional fixture, a poolhouse also should add beauty to your backyard. With the right design, a poolhouse can complement the existing beauty of your home.

The hip roof of this poolhouse provides needed symmetry to balance with the rest of the surroundings.

Refreshment — in the — outdoors

Replenish your energy with the perfect combination of exercise and relaxation in the cool water, warm sunshine, and quiet shade.

The reverse gable with the window arch on the side of this poolhouse is a special architectural feature. The cupola adds a touch of sophistication.

Soak up — the — sunshine

The straight lines and artful design of this poolhouse reflect the simplicity and joy of good times at the pool.

What could be better than getting outside for sunlight and fresh air? Enjoy both the shade and the sunshine with a sun-room in your poolhouse.

Invigorate — yourself — in style

When life gets tiring, the pool provides a place for rejuvenation and refreshment alone or with family or friends.

This poolhouse features a reverse gable, a cupola, and a screened porch. Its decorative corner braces make this a stylish addition to your outdoor space.

The clean lines of the hipped roof combined with a cupola put this poolhouse in a class of its own.

The screened porch is accented with the symmetry and style for an outstanding structure of beauty and grace.

Keep on – the sunny side – of life

Swimming and relaxing beside the pool are some of life's many blessings to enjoy to the fullest. Grab some snacks and invite someone over.

This poolhouse features a gabled roof with straight rooflines. Attention to detail like decorative trim and shutters creates a finished, attractive look.

Relax — with — comfort

The pool is a place to relax and find comfort from life's cares. Here you can enjoy your favorite pool treats and spend quality time with friends and family.

The large white beam and pillars surrounding the spacious bar, give this Pool House Bar a relaxing yet dignified appearance. It will make every pool party a fine dining experience. The spacious interior can also be used for storage or as a changing room to keep all those wet, dirty pool clothes out of the house

Lots of swimming — and — lots of food

Swimming has a way of making you hungry. An enjoyable time at the pool must be complemented with plenty of food.

With plenty of space for all that wonderful food, the spacious bar will make your pool the perfect place to hang out with friends. Spacious room inside creates the perfect storage area. Here you can organize all your pool equipment and toys. It also makes a nice changing room.

Come — and — dine

The recipe for a memorable time at the pool is friends, fun, food, and fellowship.

The simple beauty of this Pool House Bar compliments your poolside landscape. With its hip roof and spacious bar, it silently beckons, “There’s good food awaiting.”
